Service Abstract: Traditional Foster Care provides comprehensive support services to resource parents as well as safe, nurturing and supportive relationship with youth in need of a stable home. Intensive Services Foster Care is a short-term program with highly trained resource parent(s) that assist in stabilizing a youth's behavior as they prepare to reunify with a family member or other long term placement option. Transitional Housing (THP, THP Plus Foster Care, and THP Plus) assists participants with the financial responsibilities and supports for independence while helping gain the necessary skills to sustain themselves.

Foster Care Services staff consist of Licensed Marriage and Family Therapists, Licensed Clinical Social Workers, Associate Marriage and Family Therapists, Associate Social Workers or exempt through Community Care Licensing (CCL) with supervision by the FCS Administrator and Director of Social Services.

Referral, Transition and Discharge: All referral, transition and discharge decisions are the responsibility of the services provider and applicable treatment team(s). Referrals will be made and documented throughout treatment, taking into account clients' and families' abilities and preferences. Transition planning will occur throughout the course of treatment, be discussed with clients and applicable treatment team(s), and be documented. Transition plan will include review of clients' wellbeing, gains achieved, and client and family strengths. Discharge paperwork and client history reports will be completed and reviewed at the end of treatment with clients and caretakers as available and appropriate.
